

NOTICE OF PUBLIC HEARING

(PURSUANT TO 401KAR5:006, SECTIONS 4 & 5; krs-424 AND 40CFR 25.5 & 6)

The Oldham County Environmental Authority (OCEA), 700 West Jefferson Street, LaGrange, KY 40031 is beginning the development of a Regional Facility Plans (RFP) containing wastewater requirements for collection and treatment and its costs, for the Crestwood and South Floyds Fork Planning Areas. Several package type wastewater treatment plants that include the Willow Creek, Orchard Grass and County Village wastewater treatment plants currently serve these two planning areas. The RFP will also consider alternatives in the South Floyds Fork Planning Area that will provide treatment to allow the existing Kentucky State Women's Prison, Wastewater Treatment Plant to be eliminated and decommissioned.

Interested citizens may obtain further information and view the boundaries of the planning areas and locations of the existing wastewater treatment plants at the OCEA and Kentucky Division of Water websites <http://www.oldhamcountysewer.com/> or by calling OCEA Facility Plan, Project Manager Ed Basquill at 502-225-9477, between the hours of 9 a.m. and 4 p.m., Monday thru Friday.

A public hearing will be held on August 27, 2012 at 6:00 p.m. at the OCEA office 700 West Jefferson Street, LaGrange, KY 40031. The purpose of the hearing is to review the collection and treatment alternatives that will be evaluated to provide wastewater collection and treatment in the Crestwood and South Floyds Fork Planning Areas. The existing treatment plants have been in service for 30 to 40 years and need to be replaced or rehabilitated to provide treatment for existing and future capacity. A second public hearing will be held after development, analysis and the selected alternative is recommended for consideration and approval by OCEA's Board.

The public is encouraged to attend this meeting and shall have a right to comment on the alternatives and RFP development for a period of 30 days from the date of publication of this notice by writing to the above address or before the termination of the hearing whichever is later. A longer comment period may be requested in writing. All person who believe any of the collection and treatment alternatives being considered is inappropriate, inaccurate, incomplete or otherwise not in the best interest of the public and environment must raise all reasonable issues and submit all reasonable arguments, facts and comments with supporting documents to the above give contact person.
